### Verify Account Information

Life happens; that's why it is a good idea to review your beneficiaries at least once a year. Also, any time there is a major life change-birth, death, marriage, divorce, new job, new home- is a good time to review your ownership on your account(s) and your pay on death beneficiaries. Please make sure that we have complete information on file to include name, date of birth, full social security number and address.

## Prairie Federal Giving Back To The Community

**It Pays To Be On The "A" Team** Do you know a high school senior? If so encourage them to join the **A Team**. Prairie Federal will be giving out a \$1,000 scholarship in 2019. The scholarship is open to any high school senior living in PFCU's field of membership. Just bring in your report card. The more "A's" earned, the better the odds of winning. When you stop in don't forget to ask us how we can help you with your financial future. The drawing will be held and the winner will be notified at the end of the current school year.

**Habitat for Humanity** PFCU teammates had fun designing and painting a stud ; and we had the opportunity to donate it to the home that is being built for the Kyra Hansen family.
