Upgrade Update

We have determined there is an issue regarding our credit card connectivity with our new core system; to continue to serve you we have made the decision to **postpone** our upgrade. We continue to move forward and will keep you informed.

Auction Items Needed!

Members and business members we are going to have a raffle auction again in September to raise funds locally for the Trinity Cancer Care Rehabilitation Program. If you are interested in donating please contact Beth Nelson at 837-5353 by August 15th.

Thank you again for your support!

**3-Months Free
of SiriusXM**
with an auto loan.

On eligible pre-owned vehicles.

We have partnered with Sirius XM to offer a 3 month free trial membership on used auto loans. This program is no cost to you and no obligation to continue after the trial. Your vehicle must be equipped with factory installed satellite radio and you must not have participated in a free trial within the last 12 months. That is all there is to it! Also, you don't need to be in your car to enjoy Sirius XM. Streaming online and the Sirius XM app 166520 are included. If you have any questions, please contact us or stop in our lobby. We are very excited to offer this new program!

Have you been tempted to get free products by only paying shipping and handling?

Some merchants that offer this include supplements and beauty/skin care products. Before you sign up do some research on the offer. Contact the company and ask questions.

For example:

Is there a monthly fee?

How long do I have to return the product?

Any restocking fees if I return it?

Do they share your information?

Before ordering anything online it is a good idea to read reviews about the company.

If it seems too good to be true it probably is!

**It pays to be
on the "A"
Team!**

Once again this year seniors were able to drop off their report card at PFCU. For every "A" on their report card they were entered into a drawing for a \$1,000 dollar scholarship. This year's winner is Jay Forbes and he will be attending North Dakota State University in the fall. Congratulations to Jay and best of luck to all of our area seniors in the future! If you are going to be a senior next year keep us in mind when you get your report card!

It Pays to Read Your Newsletter

Watch for your account number. If it is included anywhere in this newsletter, contact the Credit Union by July 15th and you will win \$25. Good Luck!
